PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA

CLERK'S OFFICE

NOTICE OF FILING

DOCKET NO. 2011-307-S

APPLICATION OF MIDLANDS UTILITY, INC. FOR A TARIFF AMENDMENT
REGARDING EXTENSION OF UTILITY SERVICE LINES AND MAINS FOR AREAS
SERVED BY NORTHWOODS ESTATES AND EMPIRE ESTATES IN
ORANGEBURG COUNTY, SOUTH CAROLINA AND REQUEST FOR WAIVER OF
HEARING

Midlands Utility, Inc. ("Midlands" or the "Company") has filed an Application with the Public Service Commission of South Carolina ("the Commission") to amend its tariff regarding Extension of Utility Service Lines and Mains for areas served in the Northwoods Estates and Empire Estates in Orangeburg County, South Carolina. The Application was filed pursuant to S.C. Code Ann. Sections 58-5-10(3) and 58-5-210. Midlands provides service to residential and commercial customers in Lexington, Richland, and Orangeburg counties. The Company requests that it be permitted to provide the following provision in its tariff for its service area in Orangeburg, South Carolina:

Extension of Utility Service Lines and Mains

The utility shall have no obligation at its expense to extend its utility service lines or mains in order to permit any customer to discharge acceptable wastewater into its sewer system. However, anyone or any entity who is willing to pay all costs associated with extending an appropriately engineered and constructed main or utility service line from its premises to an appropriate connection point on the utility's sewer system may receive service, subject to paying the appropriate fees and charges set forth in the current rate schedule, complying with guidelines and standards hereof, and, where appropriate, agreeing to pay approved amounts for multi-tap capacity. In addition, capacity must be available from Orangeburg Department of Public Utilities and appropriate fees paid to the Orangeburg Department of Public Utilities.

According to the Application, this provision is being requested in the Orangeburg service area due to a developer not installing tee-wyes, service lines to the property lines, or other necessary appurtenances. The Application further reveals that many of the proposed lots are on the opposite side of the road from the sewer main. According to the Application, service connection to the main is an expensive proposition to Midlands Utility, Inc., and these costs should be borne by the developer and ultimately on the homeowner. The Company requests approval of this Application without a public hearing.

A copy of the Company's Application can be obtained from the Commission at the following address: Public Service Commission of South Carolina, Clerk's Office, 101 Executive Center Drive, Columbia, South Carolina 29210. Additionally, the Application is available on the Commission's website at www.psc.sc.gov and is available from Keith G. Parnell, PE, President, Midlands Utility, Inc., 816 East Main Street, Lexington, South Carolina 29072.

A public hearing, if scheduled, will be held in Columbia, South Carolina in the offices of the Commission at the above address, for the purpose of receiving testimony and other evidence from all interested parties regarding this Application. The time and date of this hearing will be furnished to all interested parties at a later date.

Any person who wishes to participate in this matter, as a party of record with the right of cross-examination should file a Petition to Intervene in accordance with the Commission's Rules of Practice and Procedure on or before September 12, 2011, and indicate the amount of time required for his presentation. Please include an email address for receipt of future Commission correspondence in the Petition to Intervene. Please refer to Docket No. 2011-307-S.

Any person who wishes to testify and present evidence at the hearing, if scheduled, should notify the Clerk's Office, in writing, at the address below, the Office of Regulatory Staff, at 1401 Main Street, Suite 900, Columbia, South Carolina 29201 and Keith G. RE: Northwood Estates Subdivision
Tariff Modification

Dear Richard:

Please find enclosed a Notice of Filing for the Northwood Estates Subdivision. This filing was made since the developer did not install any tee-wyes, service lines or other appurtenances. This change in the tariff will make the actual cost of making the tap and extending the service line to the property the responsibility of the developer.
Should you have any questions feel free to contact me.

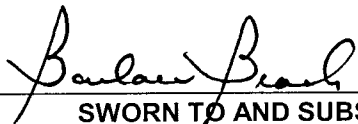

Sincerely,
MIDLANDS UTILITY, INC.
